

## The Hosts

# Gareth and Jamie.

We established **The Olde Creamery** in 2016, after purchasing our home and working together to create our dream. Now we welcome you to come and stay in our own patch of paradise. We have a passion for food, creativity and gardening, which together work to create the oasis that The Olde Creamery is.

We look forward to meeting you when you visit us at The Olde Creamery!

## DURING YOUR STAY

We want to make your time with us relaxing and memorable as possible. From our registered kitchen, we offer breakfast and main meals. We can accommodate any dietary requirements and use only locally produced ingredients, whenever possible. Guests have particularly enjoyed our Woodfire Pizzas, which are served under the stars around the campfire, while during the summer months, they have joined us for a grazing board featuring local cheeses and our very own signature condiments. Our excursions to the local Barmah Forest are also popular, where if lucky, we get to see a range of wildlife before dusk and then enjoy a rustic BBQ style dinner on the banks of the Murray.

**PLEASE SEE OUR WEBSITE FOR MORE INFORMATION.**

## ABOUT THE LOCAL AREA

Famous not only for our mighty Murray River, our region is awash with more sunlight hours than Queensland making it the ideal place to grow some of the country's best produce and the perfect place to escape whilst you stay with us.

Take the time to explore the Murray Farm Gate Trail and you will find an edible bounty of cheeses, wines, olives, oils, fruit, vegetables, beef, garlic and preserves all waiting to be sampled, including our very own products.
